

STUDIO POLICIES

FOR THE DANCERS:

ATTENDANCE: Although we understand that children, today, partake in many activities; however, attendance is imperative for the student and entire class. Tardiness and leaving class early is a disruption. In certain situations, absences and tardiness is unavoidable. Please call the studio or let the instructor know if your dancer will be absent, tardy or leaving class early.

HYDRATE: Dancers are encouraged to bring a water bottle into the dance room. Please label with your name and remember to bring it home with you! Only water is allowed in the studio. No sugary drinks please!

LOST & FOUND: Please label your belongings. It is much easier to return to you if left behind! There is a bin for all left items in the main waiting room.

HAVE FUN!: This is our #1 rule in the dance room! Walk in with a smile ~ leave with a smile!

FOR EVERYONE:

FOOD: Should be consumed outside of the studio. If necessary to bring in, please be considerate and clean up your area. When food is left behind or crumbs make it to the ground... the ants appear!

RESPECT: We treat all of our students and families with respect and kindness; we expect the same from them and all who enter our doors. Rude, violent or unacceptable behavior in the studio is not tolerated and is grounds for dismissal.

UNATTENDED CHILDREN: We can not be responsible for the dancers when they are not in class. If an emergency arises, please call.

COMMUNICATION: Please make sure to read all our emails thoroughly for important information. Friend us on Facebook and Instagram for info, tidbits, photo's and more!

PARKING: Please do NOT park or keep your car running in front of the studio. It is a hazard to the children and adults entering and exiting and a roadblock to all that are trying to drive through.

WEATHER

WEATHER CANCELLATIONS

Since we live in New England and never know what weather we are going to wake up to, I wanted to go over the ways we will let you know if we need to cancel classes due to weather. We will always let you know 1 hour prior to the start of the first class of the day. We don't call it too early in case the weather changes. **Please note: We will most likely not be in the studio if the weather is bad to answer calls. Please use one of the following sources to see if classes are canceled.

1. The first way we will let everyone know is through text and email. If you have not signed up for our text feature, please make sure to do so! An email will be sent out to let you know how to sign up. We also use the text features for other important information such as payment reminders, recital info, etc, so please make sure to sign up!

2. The second way is on our Facebook page and Instagram. Please make sure to follow our Facebook and Instagram page to stay up to date!
